Subject: Dec. 13 Agenda Request - Abandonment of Lord Fox Rd.

There's a problem with the Nov. 30 advertisement on this item. The Statute requires that the notice be advertised at least two weeks prior to the Dec. 13 public hearing, which would require an ad no later than Nov. 29. If this item goes forward on the 13th, it will be invalid and create a cloud on the title. We advise that it be moved to the first meeting in January.
